…Respondent

HON'BLE SRI JUSTICE V.V.S.RAO

WRIT PETITION No.22497 of 2006

ORDER:

The petitioner and the second respondent are brothers. The petitioner is in occupation of the first floor in the premises bearing No.11-1-80 situated at Sitaphalmandi in Secunderabad, which has Service Connection with S.C.No.V6-065612 installed in the ground floor of the premises. As the Service Connection stands in the name of the second respondent and there is a dispute between the petitioner and the second respondent regarding the said property, the second respondent approached the first respondent and the power was disconnected in July 2006. The petitioner approached the first respondent by making a representation on 28.07.2006 seeking restoration of the power supply, in vain. Therefore, the present Writ Petition is filed.

At the stage of preliminary hearing itself, after getting instructions, Sri G.V.Raghava Reddy, learned Counsel representing the learned Standing Counsel for APCPDCL, submits that as there is a dispute between the petitioner and the second respondent, the power was disconnected. He, however, does not deny the allegation made by the petitioner that no outstanding electricity bills are pending or to be paid by the petitioner.

Therefore, this Writ Petition is disposed of directing the first respondent to restore the power supply to the petitioner's premises immediately. The petitioner's Counsel undertakes that the petitioner would pay any arrears pending towards electricity charges. No costs.
